Regulation Number	Violation	Required Compliance Date
	<p><b>WHEREAS</b> it has been reported to Early Learning and Child Care Division that on March 15, 2023, an incident occurred at Centre for Aboriginal Human Resource Development Inc. operating as Kookum's Place Infant Centre (the "Centre"), whereby a 23-month old child was left outside in the attached fenced playground unsupervised by Centre staff.</p> <p>As reported by the Centre Director, six children under 2 years of age, with two Centre staff, were outside in the playground. At 10:57 a.m. the group transitioned into the centre, however, staff failed to do a headcount on the way into the building, as well as when they returned to the room. Centre staff began to undress the children from their outdoor clothing and started changing diapers, when a Centre staff noticed that one child's bag for outdoor items was empty. Centre staff proceeded to look around for the child, including the other room in the centre and the hallway and locker areas. The child was located at 11:03 a.m. standing in the playground at the bottom of the stairs that lead to the deck area to enter the building. The child was unsupervised by any staff for a period of approximately six minutes.</p>
