INDEPENDENT AUDITOR'S REPORT
Amounts Paid or Payable to Members of the Assembly

To the Legislative Assembly of the Province of Manitoba

We have audited the accompanying Report of Amounts Paid or Payable to Members of the Assembly for the year ended March 31, 2011 ("the report"). The report has been prepared by management based on Sections 52.27(1) and (2) of the Legislative Assembly Act.

Management's Responsibility for the Report

Management is responsible for the preparation of this report in accordance with the Legislative Assembly Act and for such internal control as management determines is necessary to enable the preparation of the report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the report based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial information in the Report of Amounts Paid or Payable to Members of the Assembly for the year ended March 31, 2011 is prepared, in all material respects, in accordance with Sections 52.27(1) and (2) of the Legislative Assembly Act.

Basis of Accounting

Without modifying our opinion, we draw attention to Note 1 to the report, which describes the basis of accounting. The report is prepared to assist the entity to meet the requirements of Sections 52.27(1) and (2) of the Legislative Assembly Act. As a result, the report may not be suitable for another purpose.

NORTHERN AFFAIRS FUND

Notes to Financial Statements For the Year Ended March 31, 2010

1. Purpose of the Organization

The purpose of the Northern Affairs Fund (the Fund) is to administer funds on behalf of designated communities and to administer the property tax system within the jurisdiction of the Department of Aboriginal and Northern Affairs in compliance with *The Northern Affairs Act*.

2. Significant Accounting Policies

The Fund's financial statements have been prepared using Canadian Generally Accepted Accounting Principles (GAAP). The significant accounting policies are as follows:

(a) Fund Accounting

The Northern Affairs Fund follows the restricted method of accounting.

Specific Purpose Funds Account - used to account for all monies advanced to the Minister of Aboriginal and Northern Affairs to provide financial services to community councils in northern areas of Manitoba.

Taxation Fund Account - levies property and business taxes based on real property assessments and remits the tax requirements to school divisions and The Public Schools Finance Board. Taxes collected for local purposes in the communities are remitted to the community councils when collected.

(b) New Accounting Policies Adopted

Effective April 1, 2009 the Northern Affairs Fund adopted the following new handbook sections issued by the Canadian Institute of Chartered Accountants (CICA).

Not-For-Profit Organizations

The CICA amended a number of standards applicable to not-for-profit organizations (NFPOs).

CICA 4400 *Financial Statement Presentation by Not-For-Profit Organizations* was amended to:

- eliminate the requirement to treat net assets invested in capital assets as a separate component of net assets and, instead, permit a not-for-profit organization (NFPO) to present such an amount as a category of internally restricted net assets when it chooses to do so;
- clarify that revenues and expenses must be recognized and presented on a gross basis when a not-for-profit organization is acting as a principal in transactions;
- make Section 1540 *Cash Flow Statements* applicable to NFPOs; and
- make Section 1751 *Interim Financial Statements* applicable to NFPOs that prepare interim financial statements in accordance with GAAP.

NORTHERN AFFAIRS FUND**Notes to Financial Statements
For the Year Ended March 31, 2010**

(b) New Accounting Policies Adopted, continued

Section 4430 *Capital Assets Held by Not-For-Profit Organizations* was amended to provide additional guidance with respect to the appropriate use of the scope exemption for smaller entities.

Section 4460 *Disclosure of Related Party Transactions by Not-For-Profit Organizations* was amended to make the language in Section 4460 consistent with Section 3840 *Related Party Transactions*.

The adoption of these new requirements had no material impact on the Fund's financial statements for the year ended March 31, 2010.

Financial Statement Concepts – Section 1000

Financial statement concepts has been amended to focus on the capitalization of costs that truly meet the definition of an asset and de-emphasizes the matching principle.

The revised requirements were effective for annual and interim financial statements relating to fiscal years beginning on or after October 1, 2008. The adoption of this standard had no effect on the Fund's financial statements for the year ended March 31, 2010.

(c) Management Estimates

The preparation of financial statements in accordance with Canadian generally accepted accounting principles requires management to make certain estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and contingent liabilities at the date of the financial statements and the reported amount of revenue and expenses during the reporting period. Actual results could differ from management's best estimate as additional information becomes available in the future.

(d) Revenue Recognition

The Fund recognizes revenue in the year it is received or receivable. The balances of the Specific Purpose Funds Account represent the amounts held for each of the programs listed in the Statement of Operations and Fund Balance. Each program's balance has a specific purpose as described in Note 3, and will be distributed for that purpose.

(e) Allowance for Uncollectible Taxes and Grants in Lieu of Taxes

The allowance for uncollectible taxes and grants in lieu of taxes consists of tax cancellations relating to specific tax rolls and an estimate of uncollectible accounts based on the history of tax collections.

(f) Administrative Support

The Department of Aboriginal and Northern Affairs provide administrative services at no charge to the Fund. The cost of these services for the year ended March 31, 2010 is estimated to be \$227,247 (2009 - \$194,501).

NORTHERN AFFAIRS FUND**Notes to Financial Statements
For the Year Ended March 31, 2010***(g) Capital Assets*

The Canadian Institute of Chartered Accountants (CICA) standards require that expenses on tangible assets be amortized over the useful life of the asset. Recognizing amortization in this way allocates the cost of capital assets to the periods of service provided and amortization is recorded as an expense in the statement of operations.

Capital assets are those with a useful life extending beyond one year which are acquired, constructed or developed and held for use, not for resale. Capital assets with a value less than the accepted capitalization limit will be expensed in the year of acquisition.

One-half of the annual amortization is charged in the year of acquisition and in the year of disposal.

Asset Description	Capitalization		
	Limit (\$dollars)	Useful Life (years)	Amortization Rate Straight - line
Computer Hardware – Personal computers	10,000.00	4	25.00
Computer Software – Other	10,000.00	4	25.00

*(h) Future Accounting Policy Changes**Not-For-Profit Organizations*

Accounting standards for not-for-profit organizations are undergoing a strategic review to determine the most appropriate basis of reporting. The Accounting Standards Board (AcSB) has been working jointly with the Public Sector Accounting Standards Board (PSAB) in developing proposals for the 4400 series of not-for-profit standards.

Subsequent to March 31, 2010, PSAB approved the inclusion of the 4400 series of standards from the CICA Handbook – Accounting into the Public Sector Accounting Handbook. The standards will be renumbered Sections PS 4200 to PS 4270.

PSAB also approved changes to the Introduction to Public Sector Accounting standards giving these organizations a choice to apply either:

- (a) The PS 4200 series of standards plus the PSA Handbook; or
- (b) The PSA Handbook without the PS 4200 series of standards

The basis of accounting chosen would have to be applied in its entirety, disclosed and consistently applied. These organizations will be required to adopt the standards for fiscal periods beginning on or after January 1, 2012. The existing 4400 series of not-for-profit standards will be maintained for use by not-for-profit organizations until that time.

14. Related Party Transactions

The Northern Affairs Fund is related to all Province of Manitoba created Departments, Agencies, Crown Corporations and Community Councils. The Northern Affairs Fund enters into transactions with these entities in the normal course of operations and they are measured at the exchange rate amount agreed to by the related parties.

15. Financial Instruments

Financial assets and liabilities are initially recorded at fair value. Measurement in subsequent periods depends on the financial instrument's classification. Financial instruments are classified into one of the following five categories: held for trading; available for sale; held to maturity; loans and receivables; and other financial liabilities. All financial instruments classified as held for trading or available for sale are subsequently measured at fair value with any change in fair value recorded in net earnings and a statement of fund balances. All other financial instruments are subsequently measured at amortized cost.

The financial assets and liabilities of Northern Affairs Fund are classified and measured as follows:

<u>Financial Asset/Liability</u>	<u>Category</u>	<u>Subsequent Measurement</u>
Cash in bank	Held for trading	Fair value
Accounts receivable		
– Province of Manitoba	Loans and receivables	Amortized cost
Accounts payable	Other financial liabilities	Amortized cost
Loans payable		
– Province of Manitoba	Other financial liabilities	Amortized cost

Amortized cost is determined using the effective interest method.

Gains and losses on financial instruments subsequently measured at amortized cost are recognized in the statement of operations and fund balance in the period the gain or loss occurs. Changes in fair value on financial instruments classified as held for trading are recognized in the statement of operations and fund balance for the current period. Changes in fair value on financial instruments classified as available for sale are recorded in a statement of fund balances until realized, at which time they are recorded in the statement of operations.

Fair value of financial instruments

Due to the redeemable nature of cash its carrying value is considered to be fair value.

The fair values of accounts receivable – Province of Manitoba and accounts payable approximates their carrying values due to their short-term maturity.

NORTHERN AFFAIRS FUND

Notes to Financial Statements For the Year Ended March 31, 2010

18. Financial Risk Management –Overview

The Northern Affairs Fund has exposure to the following risks from its use of financial instruments;

- Liquidity risk
- Interest rate risk
- Credit risk
- Currency risk

Liquidity risk

Liquidity risk arises from the possibility of the Northern Affairs Fund having insufficient financial resources to meet its financial obligations when they come due.

The Northern Affairs Fund mitigates this risk through cash management. The Northern Affairs Fund continuously monitors and reviews both actual and forecasted cash flows through periodic financial reporting. Accounts payable are typically paid when due or in the case of loans payable – Province of Manitoba are repaid in accordance with a schedule over the term to maturity.

Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The interest rate exposure relates to cash in bank, accounts receivable – Province of Manitoba and loans payable – Province of Manitoba.

The interest rate risk on cash in bank and accounts receivable – Province of Manitoba is considered low due to their short term nature.

The interest rate risk on loans payable – Province of Manitoba is low because the rate is fixed for the term to maturity.

NORTHERN AFFAIRS FUND**Notes to Financial Statements
