INDEPENDENT AUDITOR'S REPORT

Amounts Paid or Payable to Members of the Assembly

To the Legislative Assembly of the Province of Manitoba

We have audited the accompanying Report of Amounts Paid or Payable to Members of the Assembly for the year ended March 31, 2018 ("the report"). The report has been prepared by management based on Sections 52.27(1) and (2) of *The Legislative Assembly Act*.

Management's Responsibility for the Report

Management is responsible for the preparation of this report in accordance with the basis of accounting described in Note 1, determining that the described framework is acceptable in the circumstances, and for such internal control as management determines is necessary to enable the preparation of the report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the report based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the presentation of the report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial information in the Report of Amounts Paid or Payable to Members of the Assembly for the year ended March 31, 2018 is prepared, in all material respects, in accordance with the basis of accounting described in Note 1.

Basis of Accounting

Without modifying our opinion, we draw attention to Note 1 to the report, which describes the basis of accounting and identifies expenses that are excluded from the report. The report is prepared to assist the Minister of Finance to meet the requirements of Sections 52.27(1) and (2) of *The Legislative Assembly Act*. As a result, the report may not be suitable for another purpose.

**REPORT OF AMOUNTS PAID OR PAYABLE TO MEMBERS OF THE ASSEMBLY
FOR THE YEAR ENDED MARCH 31, 2018
NOTES TO THE FINANCIAL REPORT**

1. BASIS OF ACCOUNTING

This Report presents the amounts paid or payable to members of the legislature as required by Sections 52.27 (1) and (2) of The Legislative Assembly Act.

Expenses and compensation are recognized on an accrual basis. Expenses are accrued based upon the claims processed to May 14, 2018.

Repayments by MLAs for claims over the maximum entitlement are recognized when received.

Expenses in this Report represent the constituency expenses established by The Legislative Assembly Act and disbursed by the Members' Allowances Office. This Report does not include any expenses incurred by a minister and disbursed by the minister's department or other departments. In addition, this Report does not include any expenses incurred by other MLAs that are disbursed by other departments.

Expenses incurred by a minister for his or her department are published in the Minister's Expense Reports posted on the website of that department. Other payments over \$50,000 made by a department to MLAs are reported in the Statement of Payments in Volume 2 of the Public Accounts.

The reported amounts reflect the following policies based upon directives and interpretations by the Legislative Assembly Management Commission:

- a. MLAs are charged under their constituency expense entitlements with the salary type benefits for constituency staff such as sick leave, statutory holiday pay, and overtime, in addition to their salary and vacation pay. All other benefits, totalling \$559,755 for the year ended March 31, 2018, are not charged to MLAs' entitlements and are therefore excluded from this Report.
- b. Printing and mail processing fees are included in this Report; however, postage costs paid directly to the supplier on the member's behalf are excluded from this Report.
- c. Costs associated with the assignment of government vehicles to members, or payments of the optional car allowance to members, in lieu of assigned vehicles, are excluded from this Report.

2. PREMIER'S AND MINISTERS' COMPENSATION

The Fiscal Responsibility and Taxpayer Protection Act requires the government not to incur a deficit greater than the baseline amount and penalizes ministers by reducing their salaries if this requirement is not met. The deficit amount is calculated in accordance with the Act. For the 2018 fiscal year, the baseline deficit was set at \$924 million in the 2017/18 budget.

The Act also requires the government to withhold 20% of the ministerial salaries. This percentage will increase to 40% if the government has a deficit exceeding the baseline amount for two consecutive years. The withheld amounts will be paid back to the ministers if there is no deficit incurred or if the deficit is below the baseline amount.

As of March 31, 2018, a total of \$140,028 was withheld. Any salary reductions or repayments related to these withheld amounts will be disclosed in the next year's report.

(Unaudited)

For the Year Ended March 31, 2018

1. The Fiscal Responsibility and Taxpayer Protection Amendment Act (Bill 27) will require the government not to incur a deficit greater than the baseline amount and penalizes ministers by reducing their salaries if this requirement is not met. The deficit amount is calculated in accordance with provisions of the Act, which sets out a starting baseline of \$924 million in 2018 that is reduced by \$100 million per year thereafter.
2. While in a deficit position, the Act requires the government to withhold 20% of the ministerial salaries. This percentage will increase to 40% if the government has a deficit exceeding the baseline amount for two consecutive years. The withheld amounts will be paid back to the ministers if there is no deficit incurred or if the deficit is below the baseline amount. However, the repayment amounts will be prorated if the deficit is below the baseline amount by less than \$100 million.
3. For the 2018 fiscal year, the actual deficit is below the baseline amount by \$142 million. The Government is therefore in compliance with the Act, subject to it receiving Royal Assent. Once Bill 27 is proclaimed, the following withheld amounts will be paid back.
