DEAR: FORMS LETTER TESTING

I am writing with regard to the job search activities you are conducting while enrolled in the Employment and Income Assistance program.

Your Job Search Activity Report seems to indicate that you may be having difficulty with your job search. One of the goals of the Employment and Income Assistance program is to help you find work. Program staff may be able to help you directly, or may refer you to other employment services to assist you to make your job search more effective.

Please note that, in order to continue to maintain eligibility for the program, Employment and Income Assistance participants must actively look for a job and regularly report their efforts to find work on their Job Search Activity Reports.

Please telephone me before **DATE OF JSAR REVIEW** to set up an appointment to discuss your action plan and identify steps that may make your job search more successful. I look forward to hearing from you.  
Thank you.

YOURS TRULY,

. EIA COUNSELLOR
