DEAR: FORMS LETTER TESTING

I am writing to invite you to an Employment and Income Assistance review session.

The Employment and Income Assistance program requires participants to report their circumstances relating to the calculation of their income assistance and their steps to contribute to their own support. Attendance at the review session is therefore necessary in order to maintain eligibility for the program.

The review session will allow you to report your income, assets, basic needs, other circumstances, education, employment history and plans for finding a job. This information will allow the program to assist you to meet your financial and service needs. Your review session has been scheduled for:

Date: **DATE**
Time: **TIME**
Location: **LOCATION**

Please bring your identification, preferably with a photo (such as a driver's licence) to this session. Participants are asked not to bring children to the session and, therefore, you will need to arrange for child care. The session will last about one hour and a half.
