This Guide was prepared for the Department of Family Services and Consumer Affairs, Government of Manitoba (2007). It was produced by Harry Havey, Bob Jones, Debbie O'Donnell, and Cheryl Martens, faculty in the Disability and Community Support Program at Red River College.

We have appreciated the opportunity to work on this Guide with personnel from Family Services and Consumer Affairs. Their knowledge, advice, and support were invaluable throughout the project.

This Guide and the accompanying DVD were prepared by a number of individuals and departments at Red River College. The work on the video was done by the team at eTV – Learning Technologies. The Print and Graphic Centre was responsible for printing and Trena Kanski was responsible for the format and layout design of the guide. The majority of photographs in the guide were taken by Harry Havey.*

The valued participation and support of the families, service workers, student actors, and staff at the Rose and Max Rady Jewish Community Centre is sincerely appreciated.
