

RATE TABLE

The following tariffs, descriptions and rates shall be established on a time limited basis as part of the COVID-19 pandemic response:

Tariff	Description Full)	Rate March 1, 2022
9211	COVID-19 Rapid Antigen Detection Test (RAT)	\$15.00
9212	COVID-19 Nasopharyngeal Swab for Polymerase Chain Reaction (PCR) Test	\$15.00

Notes:

1.A visit with the patient may also be claimed on the same day as 9211 and/or 9212 where clinically indicated.

2.Where, in accordance with Shared Health clinical direction, on the same day both a RAT and a PCR swab is clinically indicated, 9211 and 9212 may be claimed on the same day.
