SBVCTC Rev. 11/2022

The following list of definitions is not an exhaustive list of terms defined in *The Income Tax Act* and Reg. 181/2007 and the applicant must not assume that it is.

The entire Act and Regulation can be found at: <http://web2.gov.mb.ca/laws/statutes/ccsm/i010e.php>.

TERMS USED IN THIS APPLICATION FORM

"**accredited investor**" means an accredited investor as defined in National Instrument 45-106, Prospectus and Registration Exemptions (adopted by the Manitoba Securities Commission as MSC Rule 2005-16).

"**active business**", "**Canadian-controlled private corporation**", "**fiscal period**" and "**specified shareholder**" have the same meaning as in *The Income Tax Act* (Canada).

"**affiliate**" of a corporation means a person or partnership that is affiliated with the corporation, as determined under section 251.1 of the federal Income Tax Act, but does not include a person or partnership that is declared under subsection (2) not to be an affiliate of the corporation.

"**approval period**" means a period during which an eligible small business corporation may issue shares as eligible investments.

"**eligible investment**" means an equity share that, when issued to an eligible investor, is an investment for which the investor may claim a SBVC tax credit.

"**eligible investor**", in relation to an investment, means

- (a) a corporation that
 - (i) at the time of making the investment, is a taxable Canadian corporation with a permanent establishment in Manitoba,
 - (ii) is not a prescribed venture capital corporation or prescribed labour-sponsored venture capital corporation under Part LXVII of the federal regulations, and
 - (iii) in the taxation year in which it makes the investment, paid salary and wages to employees resident in Manitoba totalling not less than 25% of the total salary and wages paid by it in that year; and
- (b) an individual other than
 - (i) a trust, or
 - (ii) acting in his or her capacity as an investment dealer under *The Securities Act*.

Eligible small business corporation

2(1) A corporation is an eligible small business corporation when it satisfies all of the following requirements:

CCPC with permanent establishment in Manitoba

1. The corporation is a Canadian-controlled private corporation — other than a financial institution and a prescribed venture capital corporation under Part LXVII of the federal regulations — with a permanent establishment in Manitoba.

Assets used in active business

2. All or substantially all of the carrying value of the assets of the corporation is attributable to one or more of the following:
 - (a) assets that are used principally in an active business carried on by the corporation or by an affiliate of the corporation;
 - (b) assets consisting of shares or indebtedness of, or partnership or beneficial interests in, one or more affiliates of the corporation all or substantially all of the carrying value of the assets of each of which is attributable to assets described in clause (a) or this clause.

Revenue from active business

3. The revenue of the corporation and its affiliates (determined on a combined and consolidated basis where applicable) for the most recently completed fiscal period was derived principally from one or more active businesses and not principally from property, ineligible activities or any combination of them.

Minimum share equity

4. The corporation's stated capital is at least \$25,000.

Small business

5. Either
 - (a) the corporation and its affiliates did not have, for the immediately preceding calendar year, more than 100 full-time equivalent employees; or
 - (b) the gross revenue of the corporation and its affiliates (determined on a combined and consolidated basis, where applicable) for the most recently completed fiscal period is less than \$15,000,000.

SBVCTC Rev. 11/2022

Manitoba employees

6. At least 25% of the full-time equivalent employees of the corporation and its affiliates are attributable to employees who are resident in Manitoba.

Not a reporting issuer

7. The corporation is not a reporting issuer as defined in *The Securities Act*.

Under \$10,000,000 limit

8. The total of all amounts, each of which is the consideration previously paid for shares issued by the corporation, an affiliate of the corporation or a predecessor of any of them as eligible investments, is less than \$10,000,000.

"equity share" means a share in the capital stock of a corporation, other than a share in relation to which there are terms or conditions (whether attached to the share or under an agreement, understanding or commitment in respect of the share) that

- (a) require, or entitle the holder or beneficial holder of the share to require, the share to be redeemed or purchased, or to be converted into anything other than an equity share, within the holding period for that share;
- (b) create a debt between the holder or beneficial holder of the share and any other person; or
- (c) will entitle the holder or beneficial holder of the share to a payment or benefit that would reduce any loss, or the impact of any loss, that he or she might sustain in relation to the share.

Full-time equivalent employees

1(3) For the purpose of this regulation, the number of full-time equivalent employees of an employer for a calendar year is the total of

- (a) the number of full-time employees that were employed by the employer for the whole year;
- (b) for each employee who was a full-time employee of the employer for less than the whole year, the number of weeks in the year that he or she was so employed divided by 52; and
- (c) for each employee who was employed on a part-time basis for all or part of the year,
 - (i) if the employee is paid a salary determined as a fraction of the salary that would be paid to a full-time employee, that fraction, and
 - (ii) in any other case, the number of the employee's paid hours of work in the year — excluding those falling within the weeks, if any, that are taken into account under clause (b) — divided by 2,080.

In this subsection, an employee who regularly works at least 40 hours per week is a full-time employee.

"holding period", in relation to a share issued as an eligible investment, means the period beginning on the day the share was issued and ending three years after that day.

"issuer" means a corporation that has the approval to issue, or has issued, shares as eligible investments. It includes another corporation in relation to which an issuer is a predecessor.

"SBVC share proceeds" means the amount paid by one or more subscribers for one or more shares issued to them as eligible investments.

"SBVC tax credit receipt" means a receipt, in a form authorized by the responsible minister, which contains prescribed information concerning an eligible investment issued to an eligible investor or to a flow-through entity in which an eligible investor has an interest.
