THAT the motion be amended by deleting all the words after "House" and substituting the following:

therefore regrets this Budget ignores the present and future needs of Manitobans by:

- (a) failing to offer any vision or hope or to reflect the priorities of Manitobans;
- (b) failing to provide a long-term economic plan to grow the economy and create real and lasting jobs;
- (c) failing to provide a long-term tax reduction strategy that addresses the fact that middle-income Manitobans are now, under the Doer government, the highest taxed west of New Brunswick and our business taxes are not competitive;
- (d) failing to provide a sustainable provincial spending plan by introducing a budget with a spending/tax cut ratio of 7 to 1;
- (e) failing to commit to assume provincial constitutional responsibility to fund public education;
- (f) failing to address the challenges in health care, including: providing a cardiac care system that meets the needs of Manitobans in a timely fashion, ending hallway medicine as promised, reducing waiting lists for diagnostic services including CT scans, MRIs, and ultrasounds; and recruiting and retaining health care professionals;
- (g) failing to address the need to have bold, innovative and meaningful reform in health care that would reduce waiting lists and would increase access to quality care;

Wednesday, April 21, 2004

(h) failing to protect seniors and low-income Manitobans by increasing the Pharmacare deductible by 5% for the third year in a row, and introducing 2 new deductible levels; and

As a consequence, the Government has thereby lost the confidence of this House and the people of Manitoba.
