THAT this House approve in general the budgetary policy of the government.

And the Proposed Motion of Mr. MURRAY in amendment thereto as follows:

*THAT the Motion be amended by deleting all the words after "House" and substituting the following:*

therefore regrets this budget ignores the present and future needs of Manitobans by:

- (a) failing to work hard today, to adequately prepare Manitoba for the challenges of tomorrow;
- (b) failing to address very real concerns about the sustainability of the high level of expenditures built into this budget;
- (c) failing to provide a vision or plan for Manitoba's economy;
- (d) failing to protect the strong economic climate established in Manitoba during the last decade;
- (e) failing to provide meaningful tax cuts to Manitobans;
- (f) failing to recognize the importance of tax competitiveness so Manitoba can continue to prosper;
- (g) failing to create an economic climate that will draw investment to Manitoba;
- (h) failing to provide any incentive for our young people to stake their futures in Manitoba;
- (i) failing to address the serious socio-economic crisis facing rural communities due to the crisis in the grains, oilseeds and specialty crops sector;
- (j) failing to provide assistance to agriculture producers still affected by severe flooding in southwestern Manitoba in 1999;

- (k) failing to properly prioritize the highways and infrastructure needs of Manitoba;
- (l) failing to end hallway medicine as promised;
- (m) failing to address the growing shortage of health care professionals;
- (n) failing to address health care waiting lists; and
- (o) failing to address the critical shortage of teachers at all levels across the province.

As a consequence, the Government has thereby lost the confidence of this House and the people of Manitoba.
