RESOLUTION:

Mrs. ROWAT – Rural Job Loss/Centralization of Jobs

4. WHEREAS many of Manitoba's rural communities are facing great economic hardships; and

WHEREAS many agriculture producers are being forced to find income sources off of the farm to supplement their operations; and

WHEREAS developing and maintaining economic development and employment is one of the primary difficulties facing rural communities; and

WHEREAS the current government has shown an inclination to support the centralization of rural jobs and the removal of these jobs from rural settings; and

WHEREAS the centralization of rural jobs away from rural communities increases hardships and pulls much needed economic supports out of rural communities; and

WHEREAS the practice of centralization has negatively impacted a large number of rural families who are unsure of how they can continue to support themselves as employment options are removed from their communities; and

WHEREAS often families are forced to leave their home communities and family behind in order to seek employment opportunities in urban centres as jobs in their communities are removed or relocated; and

WHEREAS it is essential to ensure the continued sustainability of rural economies for the good of all Manitobans.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to strongly consider reversing its policy of centralization of rural government jobs, such as the crown lands jobs threatened in the communities of Minnedosa and Neepawa; and

BE IT FURTHER RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to consider keeping current government employment opportunities in the communities where they currently provide much needed economic investment; and

BE IT FURTHER RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to consider providing greater support for the protection of rural employment in Manitoba.
