RESOLUTION:

Mr. SCHULER – Crocus Investment Fund Scandal

2. WHEREAS widespread damage has been done to the venture capital market in Manitoba as a result of the Crocus Investment Fund scandal; and

WHEREAS the Auditor General's *Examination of the Crocus Investment Fund* indicated that as early as 2001 the Government was made aware of red flags at the Crocus Investment Fund; and

WHEREAS the RCMP cannot investigate the role Government officials may have had in the demise of the Crocus Investment Fund; and

WHEREAS the Manitoba Securities Commission can only investigate the board of directors of the Crocus Investment Fund not the role that Government may have played in the fall of the Crocus Investment Fund; and

WHEREAS in previous Public Accounts hearings, no one would answer questions regarding who had the authority to overrule industry officials and prevent them from doing their jobs regarding the Crocus Investment Fund; and

WHEREAS the Provincial Government has been named in \$200 million lawsuit filed on behalf of investors in the Crocus Investment Fund and as a result the Premier, the Finance Minister and other ministers will not be able to answer questions put to them in Question Period because the case would be before the courts; and

WHEREAS the RCMP investigation, Manitoba Securities Commission hearings or Public Accounts DO NOT FORCE the government officials to testify under oath about their knowledge of the Crocus Investment Fund Scandal; and

WHEREAS as a direct result of the Government ignoring the red flags, more than 34,000 Crocus investors have lost more than \$60 million; and

WHEREAS only a public inquiry will force every person involved in the Crocus Investment Fund scandal to testify under oath and only then will Manitobans hear the truth of what really led to the demise of the Crocus Investment Fund.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to strongly consider calling an independent public inquiry into the Crocus Investment Fund scandal.
