RESOLUTION:

Mrs. ROWAT – Age of Protection

10. WHEREAS Manitoba's Provincial Government has a responsibility to protect children from exploitation by adults; and

WHEREAS adult predators are increasingly using nefarious means such as drugs, alcohol, gifts, false promises and threats to lure or pressure child victims into harmful situations. Children are being misled or coerced into participating in criminal and/or sexual acts; and

WHEREAS the current age of protection in the Canadian Criminal Code recognizes those under eighteen years of age as deserving of certain legal protections; and

WHEREAS Canada has legal standards that acknowledge children are not yet prepared to make life-altering decisions regarding their safety and health; and

WHEREAS children cannot legally smoke cigarettes or drink alcoholic beverages until they are eighteen years of age, yet the age of consent for sexual activity remains fourteen years of age; and

WHEREAS children between the ages of fourteen and sixteen years old are especially vulnerable to exploitation by adult predators at least three years older than them due to this gross legal loophole; and

WHEREAS families, communities and law enforcement authorities are frustrated with the lack of tools available to effectively protect children from exploitation; and

WHEREAS exploitation can take many forms, including the use of children for illegal drug activity, gang recruitment, or sexual abuse; and

WHEREAS any child may become a victim of exploitation, but at-risk children are particularly vulnerable; and

WHEREAS many of the targeted child victims may be in the care of or have had previous contact with Child and Family Services; and

WHEREAS the age of protection is within federal jurisdiction, yet section 52 of Manitoba's Child and Family Services Act could be amended and strengthened to better safeguard children in care; and

WHEREAS the consequences of any type of exploitation are devastating;

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to consider amending and strengthening section 52 of The Child and Family Services Act to allow for the greater protection of children in care who are at risk of being targeted by those who would exploit them; and

BE IT FURTHER RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to consider lobbying the Federal Government to raise the age of protection to a minimum of sixteen years of age.
