## **RESOLUTIONS:**

### **Mrs. DRIEDGER – Midwifery Training**

4. WHEREAS the NDP Government has broken its 2007 provincial election promise to enhance midwifery training in Manitoba even though midwives throughout history have been community experts in providing knowledge, skill, guidance and support to women through pregnancy, labour and birth; and

WHEREAS the World Health Organization recognizes midwives internationally as specialists in normal childbirth; and

WHEREAS the Progressive Conservative Government passed *The Midwifery Act* in 1997 thereby enshrining the right to practice midwifery in Manitoba in law and establishing midwifery as a regulated profession through creation of the Manitoba College of Midwives; and

WHEREAS the demand for midwives in Manitoba far outstrips the services which the current supply of midwives is able to provide; and

WHEREAS according to the Manitoba Midwifery Action Group in the regional health authorities that offer midwifery care more than 50% of the women are turned away due to the shortage of midwives; and

WHEREAS there are less than three dozen practicing midwives in Manitoba and only six of Manitoba's eleven regional health authorities offer midwifery services; and

WHEREAS the only institutional based midwifery training program available in Manitoba is the Aboriginal Midwifery Education Program through the University College of the North; and

WHEREAS our province needs a university or college based midwifery training program in southern Manitoba; and

WHEREAS this NDP Government cancelled a midwifery program developed for the University of Manitoba in 1999; and

WHEREAS this NDP Government has done little to increase the supply of midwives in Manitoba even though the Society of Gynecologists and Obstetricians foresees 34% of its members retiring within the next five years.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to consider creating a university or college based midwifery program in Winnipeg; and

THEREFORE BE IT FURTHER RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to consider acknowledging the need to do more to meet the growing demand for midwifery and to consider providing women with greater choice in the type of care they would like throughout their pregnancy, labour and birth.
