# **NOTICE PAPER**

## **NOTICE OF MOTION FOR THURSDAY:**

### **Mr. GOERTZEN – Global Food Crisis**

**25.** WHEREAS Manitoba is blessed with an abundant, relatively affordable food supply; and

WHEREAS many other nations are not as fortunate and struggle to feed vast portions of their populations; and

WHEREAS according to the United Nations World Food Programme hunger and malnutrition is the greatest risk to health worldwide; and

WHEREAS the United Nations World Food Programme estimates that more than 800 million people go hungry annually and that one in seven people do not have enough food to be healthy and active; and

WHEREAS the UN World Food Programme estimates that each year 11 million children die before reaching the age of five; and

WHEREAS according to the United Nations World Food Programme global food reserves are at their lowest level in 30 years; and

WHEREAS in June 2008 Pope Benedict XVI joined United Nations Secretary General Ban Ki-moon in calling for a world wide increase in food production of 50% over the next 20 years; and

WHEREAS Manitoba agriculture industries help support impoverished people in developing nations in a variety of ways; and

WHEREAS in the face of growing global food shortages the Provincial Government should not be implementing measures that will result in reduced food production by farmers.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to consider taking steps to ensure that Manitoba cooperates with organizations that assist and support people in their struggle to end global hunger and poverty; and

THEREFORE BE IT FURTHER RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to consider taking steps to ensure that Manitoba's food resources are maximized, not stunted, for the benefit of people here and around the world.
