Ms. SELBY – Daycares – Early Childhood Family Support

4. WHEREAS Manitoba's child care program is held as one of the best in Canada; and

WHEREAS access to quality child care has a direct impact on the economic stability of many families; and

WHEREAS the Province of Manitoba has approved funding for over 9000 child care spaces, an increase of over 40% since 1999, and has introduced a capital program for the expansion and construction of child care facilities; and

WHEREAS the Provincial Government has reduced the child care fees for low income families, leaving Manitoba with the second lowest child care fees in the country; and

WHEREAS the Provincial Government has trained and supported over 900 child care workers since 1999, including up to 180 who will graduate this year, and increased child care workers' wages by over 40% since 1999; and

WHEREAS in Budget 2008 the Provincial Government announced a new five-year, 12-point child care plan called Family Choices which includes funding to create 2, 500 child care spaces in the first two years, a new \$1 million training and recruitment fund for early childhood educators, and increased operating grants to allow for a 6% salary increase over 2008 and 2009; and

WHEREAS the Provincial Government will not retract the Universal Child Care Benefit from families who are receiving employment and income assistance, which will provide an estimated \$10 million to families in need each year; and

WHEREAS the Provincial Government continues to invest in child care funding and spaces as an economic stimulus, providing returns in job creation and social capacity building; and

WHEREAS the Federal Government has recently admitted difficulty in fulfilling its commitment to create 25,000 child care spaces across Canada each year.

THEREFORE BE IT RESOLVED that the Legislative Assembly support the Provincial Government in urging the Federal Government to, at minimum, create the promised childcare spaces, or to provide provinces with the necessary funding to create sufficient childcare spaces themselves.
