## **NOTICE PAPER**

### **NOTICE OF MOTION FOR TUESDAY:**

### **PROPOSED RESOLUTION:**

#### **Mr. WHITEHEAD – Nutritional Experiments on Aboriginal Peoples**

**28.** WHEREAS from 1942 to 1952, the Federal Government allowed nutritional experiments to be conducted on Aboriginal populations without their informed consent or knowledge; and

WHEREAS these nutritional experiments occurred in Residential Schools and communities throughout northern Canada, including northern Manitoban communities such as Norway House and The Pas; and

WHEREAS newly discovered documents show that Canadian government officials knew of the prevalent malnutrition among northern Aboriginal communities and yet continued to deprive children and communities of nourishment for scientific experimentation; and

WHEREAS these unethical experiments represent a fundamental breach of trust between the Federal Government and the Aboriginal children and communities who were unknowingly subjected to human experimentation; and

WHEREAS the innocent families affected by the nutritional experimentation join thousands of Aboriginal people who were mistreated throughout Canadian history; and

WHEREAS the Truth and Reconciliation Commission of Canada is a component of the Indian Residential Schools Settlement Agreement and is mandated to document and inform all Canadians about what happened in Indian Residential Schools in order to develop mutual understanding and respect among all Canadians; and

WHEREAS the Truth and Reconciliation Commission of Canada has a five year mandate supported by a Truth and Reconciliation Commission Secretariat which expires June 14, 2014.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Federal Government to expand the timeline and mandate of the Truth and Reconciliation Commission to extend beyond June 14, 2014; and

BE IT FURTHER RESOLVED that the Legislative Assembly urge the Federal Government to mandate the Truth and Reconciliation Commission to investigate and access all documentation of the nutritional experiments and all other experiments that occurred in many northern communities and Residential Schools throughout Canada so that families can continue on the difficult journey toward healing.
