RESOLUTION:

Mr. EICHLER – Approach to Crime

29. WHEREAS safety is one of the fundamental elements needed for communities to be vibrant and welcoming places to live, work and raise a family; and

WHEREAS the Official Opposition believes that it is a primary responsibility of government to foster safe communities; and

WHEREAS the Official Opposition believes in early intervention support to reduce the probability of high risk individuals participating in criminal activities during their lifetime; and

WHEREAS the Official Opposition believe that individuals who commit crimes against persons or against property should be subject to meaningful but measured consequences for their criminal activities; and

WHEREAS the Official Opposition believes that the justice system needs to ensure the consequences of crime are borne by the criminals and not the victims.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba acknowledge that the Provincial Government has not made it a priority to foster safe communities and further has not supported measured but meaningful consequences for those who engage in criminal behaviour; and
