NOTICE PAPER

NOTICE OF MOTION FOR THURSDAY:

PROPOSED RESOLUTION:

Mr. WISHART – Employment and Income Assistance – Rental Allowance

4. WHEREAS the Provincial Government has failed to provide affordable housing, due to cutting corners, increasing taxes and not focusing on those people in this province who are in the greatest need of support; and

WHEREAS the Provincial Government has continually claimed they have advocated for those who have a lower income, yet has allowed substandard housing to become the norm across the province; and

WHEREAS Manitobans looking for affordable housing often have very few options, with high rental prices and low rental allowances forcing Manitoba families to make choices between necessities such as rent, food or a winter coat for a dependent; and

WHEREAS rental allowances in this province have remained stagnant for years and the Provincial Government has taken no action to raise them; and

WHEREAS the Provincial Government has the obligation to give families the tools they need to succeed.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to adopt the recommendation of the Make Poverty History campaign and boost the rental allowance allocation for recipients of social assistance payments to three quarters of the average cost of a rental living space.
