NOTICE OF MOTION FOR THURSDAY:

PROPOSED RESOLUTION:

Mr. BRIESE – Recognizing Jordan’s Principle

8. WHEREAS across Canada, there is a lack of jurisdictional clarity between the Government of Canada and provincial and territorial governments as to which level of government should pay to ensure that First Nations’ children receive essential medical care; and

WHEREAS Article 3 of the United Nation’s Convention on the Rights of the Child states that “*In all actions concerning children, whether undertaken by public or private social welfare institutions, courts of law, administrative authorities or legislative bodies, the best interests of the child shall be a primary consideration*”; and

WHEREAS all children in Manitoba, regardless of government disputes, deserve to have their health protected without ever having to sacrifice this fundamental right; and

WHEREAS Jordan’s Principle – named after Jordan River Anderson of Norway House Cree Nation, who spent his entire short life battling Carey Fineman Ziter Syndrome – was unanimously passed in the House of Commons on December 5, 2007; and

WHEREAS Jordan’s Principle states that the rights of the child should be regarded first and foremost when considering the provisions of health care and social services; and

WHEREAS Jordan’s Principle has yet to be formally recognized in the Legislative Assembly of Manitoba, despite the reality that Manitoba First Nations’ children continue to fall victim to government jurisdictional disputes.

THEREFORE BE IT RESOLVED that the Provincial Government be urged to formally support Jordan’s Principle and its implementation in order to provide necessary care for all children in Manitoba, while re-affirming the United Nation’s Convention on the Rights of the Child.

NOTICE OF COMMITTEE MEETINGS:
