**NOTICE OF MOTION FOR THURSDAY:**

**PROPOSED RESOLUTION:**

**Mr. PEDERSEN– Manitoba Needs a Social License for Agriculture**

2. WHEREAS “Social License” for agriculture refers to the level of public trust granted to a corporate entity or industry sector by the community at large and its key customer base; and

WHEREAS public trust is the belief that activities are consistent with social expectations and the values of stakeholders as earned through industry engagement, operating practices and expressed values; and

WHEREAS the building of public trust in agriculture includes such things as ethics, shared values, transparency, certification, verification, obligations for food safety and countering myths and perceptions.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to stop its practice of blaming the agricultural industry for the Provincial Government’s own failures to stop the degradation of the environment, instituting oppressive tax policies on agriculture and taking on an adversarial attitude toward agriculture; and

BE IT FURTHER RESOLVED that the Legislative Assembly of Manitoba be urged to engage in building an environment of social license for agriculture that will address the farm-to-plate knowledge gap where there is an increasing cultural and social divide between those who are and those who aren’t involved in the agricultural industry.
