## **RESOLUTION:**

### **Mr. HELWER – Attempted Transgression for Tiger Dams Purchase**

**6.** WHEREAS the Ombudsman was told by civil servants that the Minister for Manitoba Infrastructure and Transportation (MIT) directed his own department to prepare a Treasury Board submission that recommended purchasing \$5 million of Tiger Dams for Interlake Reserves Tribal Council (IRTC) through an untendered contract; and

WHEREAS no compelling reason or justification was provided to explain why the department did not tender a sole source, untendered contract, given that more than one supplier has been used in the past for this kind of equipment; and

WHEREAS the information provided by the department did not clarify that this equipment was the optimum solution for preventing further flooding, ensuring safety and providing support and training to the First Nation communities; and

WHEREAS according to the Ombudsman, the department did not conduct the required research and analysis because IRTC had already advised the department that it wanted a specific brand of water-filled barriers and because it was directed to prepare a submission accordingly; and

WHEREAS despite MIT staff not agreeing to waiving a competitive procurement process, the department was directed by the Minister of MIT to draft a submission that proposed an untendered contract for Tiger Dams; and

WHEREAS evidence gathered by the Ombudsman indicated that the political level of the Provincial Government not only set the policy direction in this case, but also initially directed the manner in which the procurement of flood-fighting equipment should occur; and

WHEREAS the media has reported that the Minister of MIT “makes no apology for what he did” and similar editorials have deemed the Minister to be “unworthy of public trust”, “unworthy of office” and concluded his “integrity is beyond redemption”.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to cease the Provincial Government’s current practices of awarding unnecessary untendered contracts to the benefit of political friends and donors; and

BE IT FURTHER RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to stop overriding the civil service and heed its advice; and

BE IT FURTHER RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to end the Provincial Government’s cycle of broken trust and broken government.

That the Legislative Assembly of Manitoba urge the Provincial Government to bring forward the 2016/2017 provincial budget in the current sitting of the Legislature to ensure Manitobans have a full and detailed disclosure of the finances of Manitoba prior to the April 19<sup>th</sup> general election.

Mrs. STEFANSON –

That the Legislative Assembly of Manitoba recognize that an 8% PST represents a regressive tax increase felt hardest by working families, has contributed to increasing levels of child poverty, and that by breaking its promise and raising the PST the Provincial Government failed to consider the impact of this tax increase on low income Manitobans.
