DEBATE ON GOVERNMENT RESOLUTION:

On the Proposed Motion of Hon. Mr. GOERTZEN – Long Term, Sustainable and Flexible Healthcare Funding

WHEREAS health care is the single largest budget item for provinces and territories, each of whom is responsible for the delivery of quality health services for Canadians; and

WHEREAS provinces pay more than 75 per cent of health care costs and the Federal Government continues to reduce growth in health care funding; and

WHEREAS the Federal Government's unilateral approach and refusal to engage in a discussion around the importance of a long term and sustainable partnership on health care funding should be of concern to every Manitoban; and

WHEREAS Manitoba is facing a challenging fiscal situation and the Federal Government's decision to reduce health care funding by more than \$1 billion over the next 10 years is going to put additional strain on the ability to provide services to Manitobans; and

WHEREAS federal funding is essential in order to address the increasing costs associated with the health care needs of the province's growing and aging population.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba be urged to reiterate the position of other governments representing 90 percent of Canada's population, that is, before any further discussion takes place on a renewed Health Accord, the First Ministers request a meeting with the Prime Minister regarding the need for long term, sustainable and flexible funding for the healthcare system and that if this is not accomplished, any proposed reduction in healthcare funding be delayed until 2018/19.

NOTICE OF MOTION FOR TUESDAY:

PROPOSED RESOLUTION:

Mr. TEITSMA – Protecting Children and Youth from Viewing Violent, Sexually Explicit Material Online

4. WHEREAS protecting children and youth from viewing sexually explicit and violent material online is extremely important in order to create a society free from sexual harassment, exploitation, abuse and violence; and

WHEREAS the majority of sexually explicit material features violence, domination, degradation and humiliation of both women and men; and

WHEREAS many of those consuming this material are under-aged youth as the average age of first exposure to sexually explicit material for boys in Canada is age 12; and

WHEREAS exposing a child to violent sexually explicit material is a form of child sexual abuse; and

WHEREAS Article 17 of the UN Convention on the Rights of the Child requires Canada to develop appropriate guidelines for the protection of children from information and material that is “injurious to his or her well-being”; and

WHEREAS the Provincial Government is raising awareness to prevent sexual violence and harassment on all Manitoba campuses by introducing The Sexual Violence Awareness and Prevention Act.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba condemn the ease of access children and youth have to violent and degrading content in sexually explicit material online and be urged to call on the Federal Government to pass legislation requiring meaningful age verification on adult web content.
