RESOLUTION:

Mr. MARTIN – Previous Provincial Government’s Hydro Mismanagement

18. WHEREAS after 17 years of mismanagement by the previous Provincial Government, Manitoba Hydro was forced to take on insurmountable financial debt and risk; and

WHEREAS the previous Provincial Government refused to implement a stand alone “demand side” management agency even after recommendations from the Public Utilities Board in 2014; and

WHEREAS it was brought to light by the media that the previous Provincial Government’s Deputy Premier and Minister of Aboriginal and Northern Affairs attempted to influence First Nations with Manitoba Hydro contracts in exchange for votes in support of the Member for St. Boniface’s leadership bid against his former colleague; and

WHEREAS under the previous Provincial Government, hydro rates had increased by more than double the rate of inflation; and

WHEREAS because of the previous Provincial Government’s mismanagement, hydro rates were projected double over the next twenty years; and

WHEREAS the previous Provincial Government promised Manitobans that Bipole 3 wouldn’t cost them a nickel; and

WHEREAS the Keeyask Hydro Generating Station is now suffering from cost overruns of \$2.2 billion, thanks to the actions of the previous Provincial Government; and

WHEREAS due to irresponsible management by the previous Provincial Government, Keeyask and Bipole 3 will now cost Manitobans \$4.9 billion and \$7.8 billion respectively; and

WHEREAS Manitoba ratepayers are now paying for the mistakes of the previous Provincial Government through what could be known as the “*NDP Bipole-Keeyask Levy*”.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba recognize the previous Provincial Government’s mismanagement of Manitoba Hydro, effectively causing the Crown Service to increase rates for ratepayers across the province.

DEBATE ON GOVERNMENT RESOLUTION:

On the Proposed Motion of Hon. Mr. GOERTZEN – Long Term, Sustainable and Flexible Healthcare Funding

WHEREAS health care is the single largest budget item for provinces and territories, each of whom is responsible for the delivery of quality health services for Canadians; and

WHEREAS provinces pay more than 75 per cent of health care costs and the Federal Government continues to reduce growth in health care funding; and

WHEREAS the Federal Government's unilateral approach and refusal to engage in a discussion around the importance of a long term and sustainable partnership on health care funding should be of concern to every Manitoban; and

WHEREAS Manitoba is facing a challenging fiscal situation and the Federal Government's decision to reduce health care funding by more than \$1 billion over the next 10 years is going to put additional strain on the ability to provide services to Manitobans; and

WHEREAS federal funding is essential in order to address the increasing costs associated with the health care needs of the province's growing and aging population.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba be urged to reiterate the position of other governments representing 90 percent of Canada's population, that is, before any further discussion takes place on a renewed Health Accord, the First Ministers request a meeting with the Prime Minister regarding the need for long term, sustainable and flexible funding for the healthcare system and that if this is not accomplished, any proposed reduction in healthcare funding be delayed until 2018/19.

(Mr. MARCELINO (Tyndall Park) – 17 mins)
