WRITTEN QUESTIONS:

Hon. Mr. FLETCHER:

10. Can the Provincial Government provide all the empirical and scientific evidence from Manitoba Hydro, or other government bodies, to support its claim that demand side management (DSM), as proposed in the Efficiency Manitoba legislation, will in any way reduce greenhouse gas emissions in the generation of electricity and does the Provincial Government agree that the DSM program for electric power generation will cost Manitoba Hydro billions of dollars over time?
11. Can the Provincial Government provide the correspondence that initiated the one dollar transaction between the City of Winnipeg (City) and the MLA for Kirkfield Park on behalf of the province via the Manitoba Housing and Renewal Corporation that requires the City to sell the 255 Hamilton Avenue site (also known as the Vimy Arena), including the letter of intent, any correspondence, emails, notes, along with timelines and dates?

12. Having failed to address conflict of interest issues and the public interest, will the Provincial Government table legislation immediately that would take effect before the end of the legislative session in the Spring and include the Conflict of Interest Commissioner's 83 recommendations?
