## **RESOLUTION:**

### **Mr. LINDSEY – Obstetric Delivery Services at Flin Flon General Hospital**

1. WHEREAS the budget for the Northern Regional Health Authority has been slashed by over \$6 million, making it harder for the north to retain doctors; and

WHEREAS the Premier has slashed budgets and cancelled projects for northern communities, making it harder for families to get the primary health care they need; and

WHEREAS with services already stretched thin in the north, the Premier is now forcing families and seniors to travel further for the health care they need; and

WHEREAS on November 6, 2018, the Northern Regional Health Authority announced that obstetric delivery services at the Flin Flon General Hospital would be suspended, with no discussion regarding when they will be reinstated; and

WHEREAS mothers in Flin Flon, and the surrounding area, will now have to travel at least an hour and a half longer to The Pas, creating unnecessary risk for mothers and babies; and

WHEREAS the people of Flin Flon are concerned for the health and safety of mothers-to-be and their babies, including increased physical and financial stress; and

WHEREAS Flin Flon General Hospital is a regional hub that serves several communities on both sides of the Manitoba/Saskatchewan border; and

WHEREAS the hospital in The Pas may not be able to handle the extra workload created by this decision, mainly due to this Provincial Government's refusal to invest in much needed services; and

WHEREAS there has been no commitment from this Provincial Government that mothers, and their escorts, who have to travel to The Pas will be covered by the Northern Patient Transport program; and

WHEREAS the Northern Patient Transport Program has been cut by at least \$1 million and been forced to find another \$450,000 in savings by limiting the number of people who are covered by the program; and

WHEREAS access to quality healthcare is a fundamental right of all Manitobans, no matter where they live.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to take immediate action to restore obstetric delivery services at Flin Flon General Hospital and work with the Government of Saskatchewan, and the Federal Government, to ensure that obstetric services continue to be available for the region.
