(Mr. BINDLE – 8 minutes)

---

## **RESOLUTION:**

### **Mr. SMOOK – FleetNet Replacement**

3. WHEREAS the former NDP Provincial Government neglected the province's emergency communications system resulting in frequent failures; and

WHEREAS the former NDP Provincial Government was warned as far back as 2008 that FleetNet was obsolete and would soon need to be replaced, but took no action making Manitoba the last jurisdiction in North America to upgrade to a modern system; and

WHEREAS replacement parts for the FleetNet system have not been manufactured since 2003, and public safety organisations were forced to source replacement parts on online auction websites such as EBay; and

WHEREAS in October 2012, the previous NDP Provincial Government was notified that a decision to upgrade the communication system needed to be made and there was still no course of action taken; and

WHEREAS the health and safety of all Manitobans was threatened by the critical planning and failing of the previous NDP Provincial Government because it placed its own agenda above the constituents of Manitoba; and

WHEREAS FleetNet suffered a major outage at the peak of the 2012 fire season; and

WHEREAS under transition from the former NDP Provincial Government there was no mention about the outdated FleetNet communication system and the immediate need to replace it; and

WHEREAS after 17 years of the NDP tearing down Manitoba, the current Provincial Government indicated it was here to rebuild by announcing a contract for a new public safety communications system that will replace FleetNet, along with the VHF radio system used by conservation officers and wildland firefighters; and

WHEREAS the Premier cited the increased time to repair each incident from accumulative 700 hours in 2012 to more than 1,000 hours to date in 2016, threatened the ability of front line workers to interoperate when responding to emergencies; and

WHEREAS the new system will include radios with GPS, which can track the location of first responders to improve their safety, while incorporating advanced encryption to ensure police operations are secure and the system is compatible with those used by agencies outside of Manitoba; and

WHEREAS the current Provincial Government's tendering process led to costs coming in below forecast.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba congratulate the current Provincial Government on making an improvement to the provincial public safety communications technology system.

---

#### **DEBATE ON RESOLUTIONS:**

1. Mr. LINDSEY – Obstetric Delivery Services at Flin Flon General Hospital  
(Ms. MORLEY-LECOMTE – 9 minutes/159 minutes remaining)
