RESOLUTIONS:

Mr. WIEBE – Curriculum Support Center is a needed resource for Manitoba educators

7. WHEREAS the Provincial Government has recently eliminated the Curriculum Support Centre, weakening the resources available to Manitoba students; and

WHEREAS the Provincial Government made the decision to close the Curriculum Support Centre without consulting educators; and

WHEREAS the nearly 10,000 teachers that rely on the resources should have input regarding decisions that drastically affect their day-to-day classroom lessons and activities; and

WHEREAS transitioning to an online only database will create barriers for northern communities that do not have access to reliable internet; and

WHEREAS certain resources are “hands on” interactive activities that cannot be moved online; and

WHEREAS librarians are a valuable and needed resource in education; and

WHEREAS for the first time in a generation, education funding is not keeping up with enrolment and growth in the economy; and

WHEREAS teachers need more, not less, government support as they are facing significant increases in student enrolment with a large influx of refugee and newcomer students as well as a growth in the number of special needs students; and

WHEREAS the Provincial Government should be investing in the supports that help teachers so that Manitoba children are able to learn and reach their full potentials.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to reopen the Curriculum Support Centre so that teachers can continue to be supported in their effort to offer Manitoba youth a quality education.

Ms. LATHLIN – Mental Health supports needed for youth in Manitoba's north

5. WHEREAS access to mental health treatment and service providers is limited or inaccessible within many First Nations communities in northern Manitoba and;

WHEREAS many First Nations’ reserves in Manitoba do not have permanent mental health therapists and those that do are understaffed and;

WHEREAS individuals seeking mental health and psychiatric support often have to bear the cost of leaving their home community and travelling to Winnipeg to access services and;

WHEREAS the Provincial Government has cut \$6 million from the northern health region, increasing the burden on healthcare workers and reducing access to services for patients and;

WHEREAS the Virgo report on mental health and addictions in Manitoba conducted a survey of Opaskwayak Cree Nation and found that over 50% of adults were diagnosed with depression or anxiety and;

WHEREAS suicide rates amongst First Nations' people are double the national average and;

WHEREAS the Manitoba Advocate for Children and Youth indicated a lack of resources in the Child and Family Services system (CFS), where 90% of children are Indigenous, means kids are at "imminent risk of death and dying" from addictions, mental health and suicide and;

WHEREAS the province is battling an addictions crisis and wait times for treatment for addictions can be months and is not even available on most reserves and;

WHEREAS the impacts of colonialism and Residential Schools has led to intergenerational trauma, systemic poverty, and overrepresentation in CFS amongst Indigenous peoples which contributes to mental health and addictions issues.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to take immediate action to fund mental health services that will make trauma-informed and culturally appropriate care available in northern and remote communities.
