NOTICE PAPER

NOTICE OF MOTIONS FOR THURSDAY:

WRITTEN QUESTION:

Hon. Mr. FLETCHER –

14. The Provincial Government, through the Manitoba Housing Renewal Corporation, is leasing land worth millions for one dollar a year, for 99 years at 255 Hamilton Ave. Can the Provincial Government provide a list of all the surplus land and assets in the provincial inventory and also advise if any of those assets will be made available to worthwhile causes or community groups on similar terms as the 255 Hamilton Ave site as well as the rationale for making that decision?

NOTICE OF MOTION FOR THE NEXT TUESDAY OF PRIVATE MEMBERS' BUSINESS:

PROPOSED RESOLUTION:

Mr. WOWCHUK – Respecting Manitoba's Climate and Green Plan

9. WHEREAS climate change is real and Manitobans all have a role to play in protecting the environment while growing the economy; and

WHEREAS the Provincial Government's Climate and Green Plan continues investments in renewable energy, while encouraging Manitobans to reduce energy consumption; and

WHEREAS the Federal Government has acknowledged that the Provincial Government's Climate and Green Plan is the best in Canada; and

WHEREAS the Federal Government has made exceptions for other provinces and not imposed a carbon tax upon them; and

WHEREAS an increasing carbon tax is not a climate plan but rather an escalating tax plan, which takes money off Manitoban's kitchen tables and threatens jobs and economic growth throughout the province; and

WHEREAS in addition to the Climate and Green Plan, the Provincial Government has established a \$102 million Conservation Trust to protect and enhance natural infrastructure in the province; and

WHEREAS the Provincial Government values the need to invest in a green economy, increasing exports of green energy, and increasing support for sustainable farming practices; and

WHEREAS the Federal Government's "one size fits all" carbon tax achieves none of these goals.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba call on the Federal Government to respect Manitoba's investments in a green economy, and its Climate and Green Plan and not impose an unfair carbon tax on Manitoba.
