DEBATE ON RESOLUTION:

On the Proposed Motion of Mr. TEITSMA – Reducing the PST

6. WHEREAS Manitobans work hard to support themselves and their families; and

WHEREAS the previous NDP Provincial Government made this more difficult for Manitobans by taking money from the kitchen table and putting it onto the cabinet table; and

WHEREAS the previous NDP Provincial Government ran on a promise to not increase the PST; and

WHEREAS the previous NDP Provincial Government broke its promise to Manitobans, increasing the PST without the required referendum, after first expanding the tax to everything from home insurance to haircuts; and

WHEREAS the previous NDP Provincial Government routinely failed to balance the budget and forecasted increasing deficits; and

WHEREAS the previous NDP Provincial Government demonstrated a pattern of spending more and getting less resulting in higher taxes, but lower quality service for Manitobans with the highest ER wait times in Canada, the highest ambulance fees in Canada, higher children in care, and education results last in the country in math, science and literacy; and

WHEREAS the current Provincial Government believes Manitobans deserve a break; and

WHEREAS the current Provincial Government ran on a promise to reduce the PST back to seven per cent; and

WHEREAS the current Provincial Government believes in fixing the finances, repairing the services, and rebuilding the economy; and

WHEREAS on March 7, 2019 the current Provincial Government kept the promise to Manitobans to reduce the PST back to 7%; and

WHEREAS a tax cut of this magnitude is the largest tax cut in Manitoba history, and will save Manitobans \$300 million annually; and

WHEREAS the current Provincial Government's reduction of the PST will save a family of four \$3,000 by the year 2024.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba congratulate all Manitobans for finally receiving their well deserved tax break when the PST is reduced to 7% on July 1, 2019.

(Mr. WIEBE – 9 minutes/123 minutes remaining)

RESOLUTION:

Ms. LATHLIN – Mental Health supports needed for youth in Manitoba's north

5. WHEREAS access to mental health treatment and service providers is limited or inaccessible within many First Nations communities in northern Manitoba and;

WHEREAS many First Nations' reserves in Manitoba do not have permanent mental health therapists and those that do are understaffed and;

WHEREAS individuals seeking mental health and psychiatric support often have to bear the cost of leaving their home community and travelling to Winnipeg to access services and;

WHEREAS the Provincial Government has cut \$6 million from the northern health region, increasing the burden on healthcare workers and reducing access to services for patients and;

WHEREAS the Virgo report on mental health and addictions in Manitoba conducted a survey of Opaskwayak Cree Nation and found that over 50% of adults were diagnosed with depression or anxiety and;

WHEREAS suicide rates amongst First Nations' people are double the national average and;

WHEREAS the Manitoba Advocate for Children and Youth indicated a lack of resources in the Child and Family Services system (CFS), where 90% of children are Indigenous, means kids are at "imminent risk of death and dying" from addictions, mental health and suicide and;

WHEREAS the province is battling an addictions crisis and wait times for treatment for addictions can be months and is not even available on most reserves and;

WHEREAS the impacts of colonialism and Residential Schools has led to intergenerational trauma, systemic poverty, and overrepresentation in CFS amongst Indigenous peoples which contributes to mental health and addictions issues.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to take immediate action to fund mental health services that will make trauma-informed and culturally appropriate care available in northern and remote communities.
