**RESOLUTION:**

**Mr. BINDLE – Recognizing the Importance of Mining in Manitoba**

**10.** WHEREAS mining is a key part of the global economy and provides valuable materials for Manitoba's manufacturing, agriculture and electronics sectors; and

WHEREAS the previous NDP Provincial Government raised the PST which pushed away investment in the mining sector; and

WHEREAS Members of the Official Opposition have shown complete disdain for responsible natural resource development by committing to end incentives for oil and gas exploration within Manitoba in their alternative to the Throne Speech; and

WHEREAS Manitoba produces \$1.4 billion worth of minerals every year; and

WHEREAS Manitoba's most promising mineral deposits are located in areas in need of economic development; and

WHEREAS mining is a labour intensive industry that has significant spinoffs in the accommodations, logistics and construction sectors; and

WHEREAS the Provincial Government is establishing a new mineral development protocol that will promote exploration and development investment and ensure that Indigenous communities can benefit from mineral development while still protecting their Treaty rights; and

WHEREAS the Leader of the Official Opposition is a signatory to the Leap Manifesto, which calls for an end to the development of the province's natural resources.

**THEREFORE BE IT RESOLVED THAT** the Legislative Assembly of Manitoba recognize the importance of the mining industry to all Manitobans and commend the Provincial Government's efforts to promote increased mining development throughout the province.
