### **RESOLUTION:**

**Ms. MARCELINO – Standing up for Dauphin by building a rehabilitation and restorative justice facility**

3. WHEREAS the Dauphin and Parkland region and northern communities deserve investment, support, and respect from the Provincial Government; and

WHEREAS the Provincial Government must make investments in rural and northern communities to create jobs and ensure their continued growth and prosperity; and

WHEREAS the closure of the Dauphin Correctional Centre will result in at least 80 jobs lost, leaving families without employment and income, and taking millions in economic spinoffs out of the Dauphin and Parkland region; and

WHEREAS taking a new approach to the justice system, focused on addressing the root causes of crime and reintegration, will help keep communities safe, successful and create meaningful jobs; and

WHEREAS an investment in the building of a holistic rehabilitation and restorative justice centre, otherwise known as a healing lodge, would provide the necessary supports, like vocational training and mental health and addictions services, for people involved in the justice system to participate as members of the community; and

WHEREAS healing lodges have been proven effective in lowering recidivism rates, increasing cultural awareness, and improving reintegration in communities; and

WHEREAS without any prior consultation with workers, families of people incarcerated, or the Mayor and Council of Dauphin, the Province announced it will close the Dauphin Correctional Centre on May 31<sup>st</sup>, 2020; and

WHEREAS people currently incarcerated in Dauphin will be sent to other facilities that are already over capacity, putting the correctional staff and people housed in those facilities at greater risk; and

WHEREAS the lack of available and affordable transportation options will make it harder for people incarcerated to maintain regular contact with their families and home communities, an essential process to their rehabilitation and healing.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba condemn the Provincial Government's decision to refuse to build a new centre focused on enhancing community safety and rehabilitation in the city of Dauphin.
