## **RESOLUTION:**

### **MLA ASAGWARA – Increase Staffing and Support for Personal Care Homes and for Seniors**

**2.** WHEREAS the Pallister Government has for years abandoned supports for seniors and elders in Manitoba; and

WHEREAS the Pallister Government cut shovel ready projects for personal care homes in Winnipeg and Lac du Bonnet in 2017 even after those communities had raised millions in support of these projects; and

WHEREAS the Pallister Government cut \$2.3 million from the long term care budget in 2018; and

WHEREAS the Pallister Government cut \$1 million dollars from the budgets of personal care homes in Winnipeg in both 2017 and 2018, without warning or consultation; and

WHEREAS the Pallister Government has failed to build any new personal care home beds since it assumed office in 2016 and instead only cancelled projects; and

WHEREAS the Pallister Government has made no move to increase funding to personal care homes to support increased costs for personal protective equipment, staffing, training and communication with residents and families since the start of the COVID-19 pandemic; and

WHEREAS the Long Term and Continuing Care Association of Manitoba, along with many groups representing nurses, aides and other health care workers, have long called on the Pallister Government to increase supports and funding for personal care homes but those calls have been ignored and rebuffed; and

WHEREAS the Pallister Government has cut home care supports, rolled back services and overworked home care workers as part of the cuts to health care services in Manitoba; and

WHEREAS the Pallister Government raised fees on residents of personal care homes in the middle of a pandemic while not offering any other supports; and

WHEREAS the pandemic has had a disproportionate impact on seniors and residents of personal care homes leading to tragic outcomes for many seniors and families.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to immediately increase staffing levels at all personal care homes, reverse fee hikes for residents and cuts to home care services and also prioritize supports for the seniors and elders in the province.

#### **GOVERNMENT RESOLUTION:**

##### **Hon. Mr. PALLISTER – Renewed Canada Health Care Partnership**

WHEREAS protecting health care is the most important priority of both Canadians and Manitobans; and

WHEREAS the Federal Government must become a full funding partner with provinces and territories to protect health care and ensure Canadians and Manitobans receive the health care they need when they need it; and

WHEREAS health care funding provided by the Federal Government has decreased nationally to its lowest levels since the passage of the Canada Health Act; and

WHEREAS the growing funding imbalance in the federation has come at a time when health care needs and costs are rising faster than provincial and territorial governments can afford and federal health transfers are insufficient to meet those demands; and

WHEREAS the COVID-19 pandemic has demonstrated an immediate need for increased health care investments across Canada now, and into the future; and

WHEREAS the Federal Government has failed to respond positively to repeated provincial and territorial requests to increase Canada Health Transfer funding; and

WHEREAS the Federal Government has both a national obligation and an opportunity to resume its role as a true funding partner to ensure Canadians get the health care they need in a timely manner; and

WHEREAS wait times for needed health services are increasing and Manitoba's population is growing and aging.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba call upon the Federal Government to become a full health care funding partner and increase the Canada Health Transfer to protect health care for all Canadians.
