# **NOTICE PAPER**

## **NOTICE OF MOTION FOR THE NEXT THURSDAY OF PRIVATE MEMBERS' BUSINESS:**

### **PROPOSED RESOLUTION:**

#### **Ms. FONTAINE – Calling Upon the Provincial Government to Support Women's Economic Recovery**

**21.** WHEREAS women around the world have been disproportionately affected by the COVID-19 pandemic, and Manitoba is no exception; and

WHEREAS women are overrepresented in frontline jobs, including in healthcare, education, childcare, retail and hospitality that were predominately impacted by COVID-19; and

WHEREAS BIPOC women are among the most severely impacted by the pandemic because of their over-representation in high-risk jobs such as food-processing plants and long-term care; and

WHEREAS women and BIPOC women are often paid less than men in the workforce; and

WHEREAS women and BIPOC women in frontline jobs were more likely to be temporarily or permanently laid off as a result of the pandemic as in just the first wave 63% of job losses were women; and

WHEREAS women also face the additional burden of gender roles which put family responsibilities like home schooling, childcare, and caring for aging loved ones on their shoulders; and

WHEREAS the Royal Bank of Canada report outlined that training and reskilling female workers will be essential for an equitable recovery; and

WHEREAS the Provincial Government has made life worse for women by raising childcare fees and refusing to implement paid sick leave; and

WHEREAS Budget 2021 does not provide any targeted supports for women to help with their economic recovery and instead cut funding to services such as childcare and post-secondary education that would help women recover from the pandemic; and

WHEREAS the Provincial Government has failed to use gender and race based analysis in its decision-making since taking office and Budget 2021 does not mention the word gender or race even once, demonstrating this government's lack of an economic recovery plan for women and BIPOC women.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to immediately adopt gender and race based analysis in its decision-making and immediately invest in targeted support to ensure an equitable recovery for Manitoba women.
