## **RESOLUTION:**

**Mr. WIEBE – Calling on the Provincial Government to Implement a Consistent Vaccine Mandate at the Manitoba Legislative Building**

**30.** WHEREAS COVID-19 vaccinations are safe and effective and can keep Manitobans from getting and spreading the virus; and

WHEREAS COVID-19 vaccines reduce serious illness from COVID-19 and are highly effective at preventing hospitalization and death, including against variant strains of the virus; and

WHEREAS stringent public health restrictions are in place that do not allow unvaccinated people inside public buildings such as restaurants, movie theatres, sports stadiums, and other Manitoba businesses; and

WHEREAS other provinces have implemented stringent and effective vaccine mandates or testing requirements for anyone entering their legislatures, including Alberta, Saskatchewan, and Ontario; and

WHEREAS there is currently no official requirement or process for confirming the vaccination status for anyone entering the Legislative Building; and

WHEREAS there are new and stringent security measures in place for entering the Manitoba Legislative Building, but no measures ensuring that the hundreds of people entering the building every day, including Members of the Legislative Assembly, are vaccinated against COVID-19; and

WHEREAS the Provincial Government should mandate that all people, including every member of the PC caucus, be vaccinated to enter the Manitoba Legislative Building; and

WHEREAS not requiring vaccinations for people entering the Manitoba Legislative Building undermines the authority of Manitoba Public Health and their efforts to keep Manitobans safe.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to implement and enforce a vaccine mandate for all people entering the Manitoba Legislative Building, including PC Caucus members, to ensure the safety of Manitobans.
