---

## NOTICE OF MOTION FOR THE NEXT THURSDAY OF PRIVATE MEMBERS' BUSINESS:

### PROPOSED RESOLUTION:

#### **Mr. WIEBE – Calling on the Provincial Government to Resolve the Surgical and Diagnostic Backlog**

8. WHEREAS prior to the COVID-19 pandemic, Manitoba had one of the longest wait times for hip, knee, and cataract surgery in Canada under the current Provincial Government and the pandemic has now exacerbated this issue; and

WHEREAS other provinces have taken effective steps to address their surgical and diagnostic backlogs, thereby showing that Manitoba's growing backlog could have been and still can be addressed through similar actions; and

WHEREAS as of February 2022 Manitoba had an estimated backlog of 52,327 surgeries, an increase of 2,168 from the preceding month; and

WHEREAS as of February 2022 Manitoba had an estimated backlog of 42,489 diagnostic imaging procedures; and

WHEREAS as of February 2022 Manitoba had an estimated backlog of 66,679 other procedures, including endoscopies, mammograms, sleep disorder and lung function assessments; and

WHEREAS the Provincial Government's creation of a surgery backlog task force was repeatedly delayed and is now led by Matthew Lister, an advocate of further cuts to the public healthcare system; and

WHEREAS the Provincial Government has left nearly 75% of the funds promised to address the surgical backlog this current fiscal year unspent; and

WHEREAS the Provincial Government expanded highway medicine, by announcing a plan to send spinal patients to North Dakota for surgery without having an agreement in place with North Dakota or a timeline to do so; and

WHEREAS the Provincial Government has not made one single announcement on investments or how they plan to address the growing backlog of nearly 162,000 Manitobans here at home.

THEREFORE BE IT RESOLVED that the Provincial Government immediately invest in addressing the surgical and diagnostic backlog and commit to a date to clear the backlog.

---
