**RESOLUTION:**

**Mr. Michaleski – Recognizing a Successful Agriculture Safety Week**

7. WHEREAS March 14, 2022 until March 20, 2022 was Canadian Agricultural Safety Week in Manitoba; and

WHEREAS during this time students and workers participated in learning activities which aimed to reduce the amount of agriculture-related accidents; and

WHEREAS agriculture work places are unique in the aspect that many of these work places are where families work and live; and

WHEREAS agriculture is one of the most dangerous industries in Canada, but Agriculture Safety week is working with farmers to reduce the amount of accidents; and

WHEREAS agriculture projects must take into account the safety of the task at hand, whether that is the safety of workers, customers, or the environment; and

WHEREAS producer groups, non-profits, government bodies, industry and researchers formed what is now the Canadian Agricultural Safety Association in 1993 to respond to issues of health and safety in agriculture; and

WHEREAS the Canadian Agriculture Safety Association works with partners in government, business, and farming organizations across the country to support initiatives that equip producers, their families and their workers with the information and tools needed to make farms a safe place to live, work and play; and

WHEREAS this event each year allows agriculture workers to gather and discuss the emerging safety needs that are unfolding in Canadian Agriculture.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba expresses its gratitude to the people of Manitoba and agricultural producers for their role in making this year's Agriculture Safety Week a success.

---
