RESOLUTION:

Mr. TEITSMA – Improving Protections for Vulnerable Women and Children

19. WHEREAS the of rate domestic violence, sexual assault, and other random acts of violence has been on the rise across Canada; and

WHEREAS the victims of these types of crimes are primarily women, children, and vulnerable Manitobans; and

WHEREAS the Federal Government needs to enact strong measures to protect those who are vulnerable to these types of crimes; and

WHEREAS recently the Supreme Court of Canada has struck down one of the sections of the Criminal Code of Canada that worked to ensure that perpetrators are held to account for their actions; and

WHEREAS with the removal of section 33.1 of the Criminal Code of Canada, the Supreme Court has reinstated the ability for a perpetrator to claim extreme self-induced intoxication as a defence and shield themselves from the consequences of their actions; and

WHEREAS this change has no protection and no benefit for the victims of these crimes; and

WHEREAS the Federal Government needs to make stronger protections to ensure those who commit these crimes are held accountable.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba call on the Federal Government to rectify the law in Canada that currently allows perpetrators to claim voluntary intoxication as a defence and solve this gap by providing critical protections to women, children, and the vulnerable from becoming the victims of violent or sexual crimes.
