**RESOLUTION:**

**Mr. ALTOMARE – Calling on the Provincial Government to Stop Underfunding Education**

**5.** WHEREAS adequately funded education supports the development of Manitoba's children and has the potential to break cycles of poverty, close the gap in social inequality and create a more inclusive society; and

WHEREAS the Provincial Government under this Premier has acted just like Brian Pallister by inadequately funding education, which negatively impacts Manitoba's students; and

WHEREAS the Provincial Government has consistently underspent its budgets for education and strategic education infrastructure investments by millions of dollars, nearing \$220 million in the 2021-2022 year alone; and

WHEREAS rising costs, increased enrollment and inadequate funding have forced school divisions such as Brandon School Division, Seven Oaks, Pembina Trails and more to cut programs which the most vulnerable students and families rely upon such as all-day kindergarten, speech-language pathology, psychology and reading recovery; and

WHEREAS school divisions across the province have had to cut staff positions including teachers, education assistants, librarians and more because of the Provincial Government's underfunding of education, which has increased class sizes and reduced the amount of direct engagement educators have with children; and

WHEREAS the Provincial Government's reduced its share of funding education from 62.4% to 56.4% while attempting to undermine education with Bill 64, a bill that was seconded by the Premier; and

WHEREAS the Provincial Government previously promised to implement a new education funding model by 2023-2024 but has instead delayed it to 2024-2025 in order to hide its reduction in funding until after the next election.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba condemn the Provincial Government for its failure to properly fund schools, teachers and communities and urge the Provincial Government to stop underfunding education, and to release its hidden education funding model.
