### **RESOLUTION:**

#### **Mr. SCHULER – Calling on the Federal Government to Reform Bail**

4. WHEREAS the Courts in Canada adhere to the Criminal Code of Canada which is the legislation that is responsible for how Judicial Interim Release, often called bail, is determined; and

WHEREAS the Criminal Code of Canada is within the exclusive jurisdiction of the Federal Government; and

WHEREAS the administration of these laws that are made unilaterally in Ottawa are forced upon provincial justice systems to enforce; and

WHEREAS the coalition of the federal NDP and governing Liberals in Ottawa have made it easier for violent offenders to be released into the public; and

WHEREAS there are concrete examples of repeat violent offenders committing heinous crimes against innocent citizens and police officers after these offenders are released on bail; and

WHEREAS just recently the NDP-Liberal Coalition in Ottawa voted against implementing bail reform refusing to take action on the rising crime rates that are being seen across this country; and

WHEREAS instead the NDP-Liberal coalition in Ottawa is more preoccupied with criminalizing law-abiding farmers and hunters with Bill C-21 rather than addressing the real problem of violent crimes committed by repeat offenders; and

WHEREAS the Federal Government should prioritize the needs of those on the ground such as court staff, crown counsel, and victims who are handcuffed by these federal rules and engage in real dialogue with the provinces that administer those rules; and

WHEREAS Manitobans and Canadians are concerned about increasing violent crime and this Provincial Government has been a leader in Canada on calling for a reverse onus when bail applications are made on serious offenses.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba be urged to unite in calling on the Federal Government of Canada to listen to their provincial partners and make substantive bail reform that protects the public from violent repeat offenders.
