NOTICE PAPER

NOTICE OF MOTION FOR THE NEXT THURSDAY OF PRIVATE MEMBERS' BUSINESS:

PROPOSED RESOLUTION:

Mr. WIEBE – Calling on the Provincial Government to Fairly Negotiate with Allied Health Professionals

12. WHEREAS allied health professionals, including, diagnostic and lab technologists, respiratory therapists, physiotherapists and social workers, alongside other highly specialized front line workers are a critical part of Manitoba's health care system; and

WHEREAS this Provincial Government has kept over 6,500 of these front-line health professionals without a current collective agreement for over five years or 1,800 days; and

WHEREAS these allied health professionals have had their wages frozen for the longest to date of any health care contract in Canada; and

WHEREAS Manitoba is losing many critical professionals to other jurisdictions, like Saskatchewan, where they pay better wage rates, have benefits and better working conditions; and

WHEREAS some allied health professionals such as perfusionists are paid 40 percent less than their colleagues in neighboring provinces; and

WHEREAS unsustainable workloads over the past few years are leading to burn out among allied health professionals and some are leaving their professions altogether.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to bargain fairly and finally negotiate a new collective agreement with Manitoba's allied health professionals for their tireless work alongside doctors, nurses and support workers, over the past five years, including three years of the global pandemic.
