**RESOLUTION:**

**Ms. LAMOUREUX – Calling on the Provincial Government to Recognize the Valuable Role that Foster Parents play in Manitoba Communities**

11. WHEREAS even though work must continue to ensure that biological families are not unnecessarily separated, it is important to recognize that foster parents play a very important role in our communities; and

WHEREAS children in care often face many challenges but it is important to understand that all children should feel safe, live in a caring environment and feel loved; and

WHEREAS it is in the best interests of the child no matter their age, circumstances, and needs, that they live in a home environment where they are most likely to have the type of care, love, and support that all children deserve; and

WHEREAS cross-cultural exchanges are often an important part of raising a child, and foster parents often learn about reconciliation and important cultural considerations which are essential to the process of raising a child; and

WHEREAS foster parents open their lives for 24 hours a day, seven (7) days a week in hopes of contributing to the wellbeing of a child whether it be for a short or a long period of time; and

WHEREAS the emotional and enduring connection between a child and a foster parent lasts a lifetime, and often is reflective and like that of a biological parent and child relationship.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba recognize the incredible contributions and sacrifices that foster parents have made, and continue to make every day and urge that the Minister of Families consult for an appropriate day of the year that can be recognized as “Foster Parents Day”.
