NOTICE OF MOTION FOR THE NEXT TUESDAY OF PRIVATE MEMBERS' BUSINESS:

PROPOSED RESOLUTION:

MLA MOROZ – Calling on the Federal Government to Reduce Corporate Food Waste

5. WHEREAS the Provincial Government promotes the right to food and is a leader in the fight against hunger; and

WHEREAS the Provincial Government wants to collaborate (or maintain a collaborative relationship) with the Federal Government to make life more affordable for families in Manitoba; and

WHEREAS major grocery chains, such as Loblaws, have considered removing discounts on food nearing its sell-by date, while families across Manitoba struggle to pay for their grocery bills ; and

WHEREAS while one in five children experience household food insecurity, large grocery retailers continue to profit off of families who are struggling to make ends meet; and

WHEREAS no one in Manitoba should go hungry and everyone should be able to afford to eat; and

WHEREAS in 2023, Harvest Manitoba reported a 30% increase of food bank usage with more than 50 000 people accessing a food bank every month across the province; and

WHEREAS over 14% of Manitobans and 60% of Northern residents living on-reserve experience household food insecurity; and

WHEREAS there is minimal federal regulation over the amount of food wasted by major grocery chains in Canada; and

WHEREAS reducing food waste would mean feeding more Manitobans, and would keep surplus food out of the landfills, reducing the production of harmful greenhouse gases; and

WHEREAS corporate food waste should be added to the Federal Government's commitment to keeping major grocery chains accountable to rising food costs.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial and Federal Governments to work together to condemn corporate food waste and support all initiatives that go towards redistributing food to families in need.
