NOTICE PAPER

NOTICE OF MOTION FOR THE NEXT TUESDAY OF PRIVATE MEMBERS' BUSINESS:

PROPOSED RESOLUTION:

MLA LAMOUREUX – Calling on the Provincial Government to Extend Employment Standards Benefits to Workers of the Gig Economy

8. WHEREAS gig work includes paid work outside of traditional employment and includes app-based food delivery work on an in-demand basis; and

WHEREAS in recent years there has been a significant growth in all forms of food delivery in Manitoba; and

WHEREAS a consultation paper developed by Employment and Social Development Canada on developing greater labour protections for gig workers found that the most precarious forms of gig work are found largely in provincially regulated sectors, rather than those which are federally regulated; and

WHEREAS the gig economy provides employment opportunities for many Manitobans looking for flexible income; and

WHEREAS workers of the gig economy in Manitoba have expressed concerns such as low and unpredictable wages, being terminated from the job without warning, and lacking workers' compensation coverage if injured on the job; and

WHEREAS paid time for gig workers is often only associated with 'engaged time' and not paying for time required to perform the work; and

WHEREAS all workers in Manitoba deserve fundamental rights, safety, and protections from exploitative workplace practices; and

WHEREAS both employers and employees of the gig economy benefit from employment practices that support productivity, fairness, and worker wellbeing.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to develop a comprehensive review of The Employment Standards Code with the view to extend protections to workers who do not fit the traditional conception of an “employee” and recognize that workers in Manitoba deserve basic employment standards and protections.
