NOTICE OF MOTION FOR THE NEXT TUESDAY OF PRIVATE MEMBERS' BUSINESS:

PROPOSED RESOLUTION:

MLA DELA CRUZ – Respecting Seniors

12. WHEREAS the Provincial Government has set aside \$22.3 million to provide better care for seniors through more direct hours of care for seniors in personal care homes and a new Safe and Healthy at Home program to support aging in place; and

WHEREAS the Provincial Government has set aside funding for a new Seniors' Advocate to protect seniors and Elders in the province from harm; and

WHEREAS the Provincial Government has created a new tax credit for seniors and funding for senior's accessibility upgrades so all can live their retirement in dignity; and

WHEREAS the Provincial Government announced that a new 95-bed personal care home will be built in Lac du Bonnet so that seniors can age in their community with dignity; and

WHEREAS the Provincial Government is adding staff for over 60 lower acuity beds, which will support seniors and Elders who are waiting for a space in personal care homes; and

WHEREAS the Provincial Government has been listening to healthcare professionals across the province, including staff at personal care homes and home care staff; and

WHEREAS the Provincial Government has laid out a plan to help seniors get the care that they need by pledging to hire 1,000 new healthcare staff which will in turn reduce emergency room wait times, increase diagnostic capacity, and open up surgical slots right here at home; and

WHEREAS the previous PC Provincial Government cut supports for seniors care homes and allowed affordable seniors housing to be sold off; and

WHEREAS the previous PC Provincial Government promised to create 1,200 new personal care home beds, but the bed count dropped when they were in office.

THEREFORE BE IT RESOLVED the Legislative Assembly urge the Provincial Government to respect and make life more affordable for seniors and Elders as they age and undo years of reckless cuts and mismanagement of the former PC Provincial Government by fulfilling its plans to fund accessibility modifications to age at home and build personal care home beds.
