Licence No. 1559

Issue Date JUNE 1, 1992

In accordance with the Manitoba Environment Act (C.C.S.M. c. E125)

THIS LICENCE IS ISSUED TO:

UNITED GRAIN GROWERS LIMITED: "the Licencee"

for the construction and operation of the Development being the operation of a grain elevator, including all related activities, at all that portion of the SW 1/4 and SE 1/4 of Section 15-9-3 WPM which lies to the North of a line drawn parallel with and distant southerly 275 feet from the southerly boundary of the Right of Way of the Railway as shown on a plan filed in the MLTO as Plan no. 591 and which lies to the South of the said southerly boundary and subject to the following specifications, limits, terms and conditions:

DEFINITIONS

In this Licence,

"chemical products" includes but is not limited to fertilizers, pesticides and herbicides;

"opacity" means the degree to which emissions reduce the transmission of light and obscure the view of an object in the background;

"particulate matter" means any finely divided liquid or solid matter other than water droplets;

"particulate residue" means that part or portion of an atmospheric emission which is deposited onto a surface;

"point source" means any point of emission from an operation where pollutants are ducted into the atmosphere.

GENERAL SPECIFICATIONS

1. The Licencee shall ensure that a high standard of equipment maintenance and good housekeeping and operational practices are carried out with respect to the Development, at all times.

LIMITS, TERMS AND CONDITIONS

2. The Licencee shall not emit particulate matter from the Development such that particulate matter:

- i) exceeds 0.23 grams per dry standard cubic metre calculated at 25 degrees Celsius and 760 millimetres of mercury, corrected to 12 percent carbon dioxide for processes involving combustion from any point source of the Development;
- ii) exhibits a visible plume with an opacity of greater than 5 percent at any point beyond the property line of the Development; or
- iii) results in the deposition of visible particulate residue at any time beyond the property line of the Development.

3. The Licencee shall not store or handle any chemical products at this Development.

REVOCATION

If in the opinion of the Director the Licencee has exceeded or is exceeding the specifications, limits, terms or conditions set out herein, the Director may revoke, temporarily or permanently, this Licence.
