

Licence No. 1889

Issue Date August 16, 1994

In accordance with the Manitoba Environment Act (C.C.S.M. c. E125)

THIS LICENCE IS ISSUED TO:

**THE PROVINCE OF MANITOBA REPRESENTED BY THE
MINISTER OF HIGHWAYS AND TRANSPORTATION:**

The "Licencee"

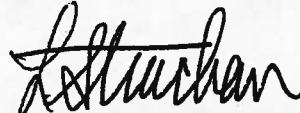

for the construction of the Development being the relocation of a section of the Lake St. George Main Market Road beginning at Provincial Road #224 and proceeding in a northwesterly direction across the Fisher River located in parts of section 24-28-1W subject to the following specifications, terms and conditions:

1. The Licencee shall construct the Development in accordance with the Preferred Alternative "B" as shown in *Manitoba Department of Highways and Transportation Proposed Relocation Plan of the Lake St. George Main Market Road*, filed as part of the Environment Act Proposal, dated January, 1994, and the bridge crossing plan *Bridge Proposal (Alternative #1), for R.C. Bridge over the Fisher River on Lake St. George, Main Market Road, in Section 24-28-1W* filed as additional information on June 27, 1994.
2. The Licencee shall, during construction, adhere to the Manitoba Department of Natural Resources guidelines titled *Recommended Fish Protection Procedures for Stream Crossings in Manitoba*.
3. The Licencee shall, during the fish spawning period from ice breakup to June 15th of each year during construction, cease construction activities that will impact upon the stream channel.
4. The Licencee shall, prior to construction of the stream crossing and the borrow sites located near the Fisher River, consult and reach an agreement with the Manitoba Department of Natural Resources Central Region Fisheries Biologist regarding the mitigative measures to be incorporated into a sediment control plan for the Development.

5. The Licencee shall, during construction, ensure that fuel storage and fueling areas established for the construction of the Development are located a minimum distance of 100 meters away from the high water line of the Fisher River, and shall comply with the requirements of *Manitoba Regulation 97/88R* respecting *Storage and Handling of Gasoline and Associated Products*.
6. The Licencee shall, during the full term of the construction of the Development, cleanup and deposit all debris from the construction site at a Waste Disposal Ground operating under the authority of a permit pursuant to the *Manitoba Waste Disposal Ground Regulation, MR 150/91*.
7. This Licence replaces Licence # 1638 which is hereby rescinded.

REVOCATION

If in the opinion of the Director, the Licencee has exceeded or is exceeding the limits, or has not or is not complying with the specifications, terms and conditions set out herein, the Director may revoke temporarily or permanently, this Licence.
