Dear Sheldon Stott:

**Re: Environment Act Licence No. 1102 RRR - Notice of Alteration Request**

Thank you for your notice of alteration to Environment Act Licence No. 1102 RRR, received February 23, 2022. I understand you wish to increase the capacity of the pork processing plant from 40,000 to 46,385 hogs per week. The increase will be on existing property with no additional building development. The R3 Industrial Wastewater Treatment Facility will continue to treat the wastewater from the pork processing plant.

I approve the alteration per Section 14(2) of The Environment Act. I am satisfied it will not have a significant impact on the environment.

All other clauses of Environment Act Licence No. 1102 RRR remain in effect.

Should you have any questions regarding this approval, please contact Jennifer Winsor, Senior Environmental Engineer, Environmental Approvals Branch at [Jennifer.Winsor@gov.mb.ca](mailto:Jennifer.Winsor@gov.mb.ca) or 204-945-7012.

For questions relating to the ongoing administration of the licence, please contact Kristy Forrestall, Regional Supervisor, Environmental Compliance and Enforcement Branch at [Kristy.Forrestall@gov.mb.ca](mailto:Kristy.Forrestall@gov.mb.ca) or 204-573-0518.

Sincerely,
