**Re: Boeing Canada Operation Ltd – 99 Murray Park Road – Notice of Alteration**

Dear Rebecca Wroblewski:

Thank you for your Notice of Alteration submitted on August 7, 2020 for the Boeing Canada Operation located at 99 Murray Park Road. The alteration proposes to convert the existing two old Paint booths #3 and #4 into a paint preparation and paint priming location. The booths are replaced by new booths with a conveyor paint system as per the alteration approved on April 12, 2018. Repurposing the old booths supports the enamel painting loop of the conveyor paint system while improving the health and safety of employees preparing the paint within an environmentally controlled booth.

Upon review of the proposed alteration I have concluded that the environmental effects from the alteration are insignificant, and, therefore, in accordance with Section 14(2) of The Environment Act you are hereby authorized to carry out the alteration as described in the August 7, 2020 Notice of Alteration.

If you have any questions regarding this matter, please contact Eshetu Beshada, Environmental Engineer, Manitoba Conservation and Climate, at [Eshetu.Beshada@gov.mb.ca](mailto:Eshetu.Beshada@gov.mb.ca) or 204-250-1932.
