Dear Ms. Zonneveld:

Re: Boeing Canada Operation Ltd – 99 Murray Park Road - Notice of Alteration

Thank you for the Notice of Alteration (NoA) you submitted on November 22, 2013 and December 4, 2013 that indicated the installation of a ventilation booth and addition of two cure ovens, respectively, at Boeing Canada Operations facility located at 99 Murray Park Road and currently operating under Environment Act Licence 1301 R. As described, the booth will capture and exhaust isopropyl alcohol fumes while the ovens will cure airplane parts in a controlled temperature environment.

I have concluded that the environmental effects from the NoA are insignificant, and, therefore, in accordance with Section 14(2) of *The Environment Act* you are hereby authorized to carry out the alteration as described in the November 22, 2013 and December 4, 2013 NoA.

If you have any questions regarding this matter, please contact Mr. Eshetu Beshada of this office at (204) 945-7023.

Yours truly,
